Each of us is a Divine and Eternal Being. No matter where you currently are on your Path, this Activation is immensely beneficial in helping you step out of your own way to live from that Foundation.

Having trained and studied at the *Modern Mystery School* for 12 years, Charlie began to provide the *Life (DNA) Activation* for others in 2002.

DNA is within the nucleus of each cell of our body and holds the blueprint for all that we are - physically, emotionally, mentally and spiritually. The energy work done during the session helps activate one's dormant DNA, releasing its healing and accelerating energy to your whole being. The actual process of the Activation involves the Practitioner working in your energy field and auric field. After balancing your energy, the practitioner will perform the Activation by accessing 12 points of light that run along your spine. The work is done in your energy body, so you remain fully clothed and seated in a chair for the work. The Activation is gentle yet profound. The effects take place over time, put into motion by vibrational changes to the pineal gland. So as your cells renew, they are infused with more capacity to hold light and expanded awareness.

Generally, the benefits of this Activation include: more vitality; greater clarity; more access to forgiveness; increased passion; more faith and trust in yourself; accomplish more with ease; and clearing unwanted patterns.

An appointment for a Life (DNA) Activation takes 45 minutes and the cost is \$150. *Sessions start at 10:00am. To make an appointment or if you have any questions, send an email to Charlie at charlie@activateDNA.com
